

ESSO Clinical Update on Fluorescence-Guided Surgery

28th May 2021, from 9.00 to 12.00 CET

Preliminary programme

Chairs

Sven Mieog, Leiden University Medical Center, Leiden, NL
Karol Polom, Medical University of Gdansk, Gdansk, PL
Alexander Vahrmeijer, Leiden University Medical Center, NL

Speakers

Ronan Cahill, University College Dublin, Dublin, IR
Michele Diana, IRCAD, Strasbourg, FR

PROGRAMME

09.00 - 09.10	Welcome <i>A. Vahrmeijer</i>
09.10 – 09.30	What is new in fluorescence trials? <i>A. Vahrmeijer</i>
09.30 – 09.50	What is new in fluorescence for CRC? <i>R. Cahill</i>
09.50 – 10.10	What is new in vital structures imaging? <i>K. Polom</i>
<i>10.10 – 10.30</i>	<i>Coffee break</i>
10.30 – 10.50	What is new in fluorescence for HPB? <i>S. Mieog</i>
10.50 – 11.10	What is new in quantitative fluorescence? <i>M. Diana</i>
11.10 – 11.30	What is new in the role of AI for fluorescence? <i>XXX</i>

11.30 – 12.00

Video-based discussion session

All faculty
